# Part 1 - Linear comps

---

# Part 2 - Value comps

---

# Part 3 - Rough color comps

---

\*My personal favorite rough color comp here is number 5 (bottom row, far right) because it's the most natural looking, however I would intensify the color value a lot less for the pink flowers in front of the sand, ocean and sky\*

# Part 4 - Posters with typography

Font typefaces (left to right, top to bottom): 1) Flyerfonts Distortion, 2) Mistral, 3) Streaker Freaker, 4) Adobe Handwriting Ernie, 5) Alex Brush Regular
